

How to login and bid online:

- 1) On your phone or computer go to www.yourbid.co.nz
- 2) Find the right sale – either go to the right hand side or right down the bottom. Click on that sale.
- 3) Go to the brown button in the top right-hand corner.
 - a. If you have NOT registered for a sale on www.yourbid.co.nz before, click on “register” then go to step (5).
 - b. If you have registered for www.yourbid.co.nz before, click on “log-in” then go to step (10).
- 4) Enter all your details. Make up a password – it must be more than 4 letters. Put your NAIT number in where it says “holding number” (leave blank if you don’t know it).
- 5) Click “sign up” when everything is completed.
- 6) Check your email – there should be one there from “no-reply@yourbid”. It can take up to 5 min to come through. If it’s not there then check your “spam” and “promotions” folders.
- 7) Click on the link in the email where it says “confirm”
- 8) It takes you back to the Yourbid page – click “continue”
- 9) Go to the Matatoki Hereford Bull Sale page again. This time click on “Login” in the top right-hand corner.

10) Enter your email address and password and click “log-in”. If you also check ‘remember me next time’ the computer should remember your details.

11) Scroll down the page to where it says “register for this sale”. Click on that. Select the stock firm you want to use, and click “register”

You are ready to go. Where the “register for this sale” button used to be, it now tells you what your buyer number is.

12) To make a bid, click on the lot you are interested in. It will show you the current leading bid in the first box. The second box shows the amount you are bidding. You can either accept the default amount, or type in another amount if you want to go higher. Click “Confirm Bid” and your bid will be live.

13) Bids you hold will show on your screen in green. New bids made by other people will show in yellow. Lots which have not yet had a bid will have red text, which changes to blue once they do have a bid.

Your buyer number is: 1
