Road, RD2 Leeston
johalzfarm@gmail.com

AUCTION: ONLINE HELMSMAN www.yourbid.co.nz

Welcome to Johalz Angus

Welcome to Johalz Angus Inaugural Online Yearling bull sale. We are very excited to present you yearling bulls selected specifically for calving ease, low birth weight with good structure and growth so they can be used over both cows and heifers. At Johalz Angus, we believe in both Genotype and phenotype to produce a bull that is suitable for buyers.

We believe in a cattle that performs and cows that produce calf every year. Hence why, all the heifers calve at 2 years old. Last year AI went exceptionally well with achieving 100% conceiving result in first cycle. We are very excited to see this years calves AI sired by Kincardine Rainstorme and Taimate Roy. At birth, all the calves get tagged, weighed, TSU sample taken and receive multimin shot. Being a small stud helps us to keep a close eye in improving genetics to produce top quality cattle.

If you would like to view the bulls, we are just a phone call away.

We wish you all the very best with your breeding season.

Raman, Shainaz and Muskaan Johal

All Bulls in this sale:

BVD Tested

Vaccinated for BVD and Lepto

10 in 1 Vaccinated

Genomics Tested

Semen tested for fertility

Herd TB status C10

Close Herd-No Animals came to herd except Stud Registered cattle.
